

TURNKEY RENTAL SOLUTIONS & EXPERTISE FOR CRITICAL SHUTDOWN PROJECTS

Red-D-Arc offers turnkey rental solutions, plus expertise to meet your needs for major maintenance like shutdowns. Selecting the right supplier to rent your shutdown maintenance equipment from is critical. Red-D-Arc not only carries welding equipment, but also dry ice blasting equipment for fast, more efficient cleaning, along with generators and power distribution panels. Let Red-D-Arc's team of knowledgeable product specialists, with our extensive fleet of equipment, help you make quality repairs and remain on schedule.
